15th October 2020

To Parents and Guardians,

Due to yesterday's Executive announcement we will close tomorrow, Friday 16th, for two weeks. This is disappointing, since it has been great to have the children back into routine, however it is necessary with the increasing severity of the pandemic.

This is a quote from yesterday's letter from the Education Minister – " As this is an extension of the half-term break. It is not intended to be used for remote learning."

Therefore, following guidelines work will not be set by teachers for next week. The staff are aware of the loss of valuable teaching time but we must abide by the rules and regulations set out by the Department of Education. There are activities available on the school website on Class Pages if you wish to keep children engaged.

There will be no child care for the children of Key Workers.

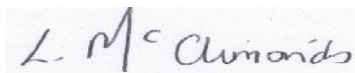

We really hope that things will improve and we can get back to routine from November 2nd. If not work packs and remote learning plans will be put in place.

Please remember to stay within guidelines for the safety of your family, and to protect our school community.

We will endeavour to keep you informed of any developments, and thank you once again for your understanding, patience and support in these difficult and challenging times.

Kind regards

L. McClimonds

PRINCIPAL
