Dear Parent/Guardian

I would like to clarify to all the parents and pupils of Mullavilly Primary School that the reports in the media regarding our school being closed are not correct.

The Education Authority have published plans reviewing provision for our school and have also communicated that there will be a consultation regarding increasing our enrolment number to allow more pupils to attend Mullavilly Primary School in the future.

This follows on from the school being oversubscribed for three years and the ongoing efforts of the Board of Governors and local MLAs to increase our admission and enrolment number.

The demographic trends in the Mullavilly/Laurelvale area show an increasing population of primary school age children and I see Mullavilly Primary School having a pivotal role in being able to provide education for these children in their local school.

The school will be speaking with the Education Authority representatives over the coming months and will keep parents informed of any consultations.

Mullavilly Primary School meets all criteria for sustainability.

We aim to continue to achieve the high standards of education for all of our pupils.

Thank you for your continued support.

Yours sincerely

L A McClimonds (Mrs)
Principal
